Agenda of Meeting

The agenda of the meeting is to plan business use case.

Discussion

As this was our first meeting, so we briefly planned how to develop a business use case of the functional requirements of the Food Panda Application. We shared our own thoughts and ideas with each other regarding the business use case and exchanged ideas and plans. We had 15 functional requirements and total 3 use cases that are customer, admin and rider. Then we concluded the first meeting by making a plan and then started to develop and implement our plan.

Approval of Minutes
